

This year our Girl Scouts have been enjoying many fun activities. The 7th Grade went to a chocolate factory and made candy bars. The 4th Grade slept out in covered wagons and enjoyed a family fun day at the Rock Ranch.

### Recent Projects

In celebration of 100 years of Girls Scouting each girl committed to completing their own "Service 100" project by the end of March to honor the 100th year of Girl Scouts. These include collecting 100 cans of food for a food pantry, collecting aluminum for Ronald McDonald house, and giving 100 minutes of service to help with Special Olympics. The girls are also working on the Catholic Girl Scouts 100 years patch, and continuing their work on "I live My Faith" religious Award. The girls are looking forward to a trip to Savannah in the fall to visit the Juliette Gordon Lowe house, St. John's Cathedral, and the Marine Life Center.

Our 4th grade troop is starting work on their Bronze Award. They went camping with approximately 100 other girls from our Service Unit with the 5th grade troop and by the end of the weekend all the girls were best friends. You could not tell one troop from another. They are doing the Night Owl program at the Chattahoochee Nature Center and will earn their Sky Search Badge. They will be going with the 3rd grade troop to the Chattanooga Aquarium for the Sleep in the Deep. Again this year they will attend the Earth Day at Southern Poly in Marietta. As their community service project for the 100th year anniversary of Girl Scouts the girls are collecting 100 pairs of shoes for Soles for Souls Organization. As you can see from this picture featured in the Marietta Daily Journal, they were successful!
